

NetPlay Climber Series

# Spider Climber 6-4

## Description

With intricate multi-directional grip capacity and a strategic internal rope network, NetPlay Climbers offer a truly exciting and age-variable addition to any playscape while providing clear sightlines and advanced safety.

The colorful square and rectangular meshes of the climbers are the perfect focal point for any playground. These 3-D play structures allow children of all ages to use their imaginations. Kids learn to take risks while climbing, balancing, and engaging in open play.

## Features

- 8 inch diameter steel post with cap
- Rubber sitting platforms
- Made with 18 mm Netform™ comfort-grip surface rope
- Supportive climbing
